

First Prize Primary Schools

Dear Mr Huberman,

It makes me take A moment and breathe in this world because I know this world is a better place now.

You are a hero, so smart, so brave and just amazing. When my teacher was speaking about you in class your life must have been such an adventure, from being cleverest in school with a lovely family, four sisters, two caring parents and then all those years of concentration camp it must have been horrible then rushed onto a plane to a strange country with strange people and then taken to in your words "paradise".

If you were still alive I would invite you for some tea and biscuits but this time you don't have to hide it under the table.

Your story has made me be more kind to others.

Kind regards
Tom
